PG-13

Brief Sensuality, Intense Sequences of Violence and Intense Sequences of Action

In the epic action-adventure Snow White & the Huntsman, Kristen Stewart (Twilight) plays the only person in the land fairer than the evil queen (Oscarr winner Charlize Theron) who is out to destroy her. But what the wicked ruler never imagined is that the young woman threatening her reign has been training in the art of war with a huntsman (Chris Hemsworth, Thor) who was dispatched to kill

her. Sam Claflin (Pirates of the Caribbean: On Stranger Tides) joins the cast as the prince long enchanted by Snow White's beauty and power. The breathtaking new vision of the legendary tale is from Joe Roth, the producer of Alice in Wonderland, producer Sam Mercer (The Sixth Sense) and acclaimed commercial director and state-of-the-art visualist Rupert Sanders.
