In Josh Radnor's latest outing, Liberal Arts, Radnor (How I Met Your Mother) plays Jesse Fischer, an admissions counselor who is in his thirties and pretty much lost in life. As the film opens we find the usual introduction to a lackluster life with Jesse trudging along in his work, enduring a tough break up with a girlfriend, even having his clothes stolen at a Laundromat. Jesse needs a break and gets one when he's phoned by one of his old college professors, Professor Peter Hoberg (Richard Jenkins; Jack Reacher), who is retiring from his post.
