Let's recap the end of last season real fast before plunging right into the preview of season four. Jenny dealt drugs, tried to hook up with Nate, slept with Chuck, & then decided it was time for some new scenery so took her leave for awhile. Blair found out about Chuck & Jenny and left Chuck right there on the spot. Chuck was planning on proposing to Blair; but after having his heart broken he stumbled around until one night he was attacked, shot, & left for dead. Serena had her Daddy troubles. Rufus & Lily have marriage issues a lot. And finally who can forget a pregnant Georgina showing up at Dan's front door? Now that we are caught up time for season four.
