R

strong gruesome violence and terror throughout, and for language

[Alexandre Aja](#) [12] directs this remake of [Wes Craven](#) [13]'s film [The Hills Have Eyes](#) [14]. In this update, a family is taking a cross-country road trip when their trailer breaks down, leaving them stranded in the desert of New Mexico. There, they find themselves under attack by the savage "hill people," who were deformed by radiation during nuclear testing.
