[Rachel Griffiths](#) [3],

[Sally Field](#) [4],

[Calista Flockhart](#) [5]

On DVD: Tuesday, September 23, 2008

Discs: 5

I've been watching television for a long time and seen both good and bad shows. Nothing new really has come out since it's already been made. However, there are different ways of telling a story though and the makers of this show has put a little twist with this show. That twist would be drama to the extreme. Again nothing new but just a different way to tell the story.
