[Lisa Faulkner](#) [5]

**On DVD:** Tuesday, December 4, 2007

**Discs:** 3

Nearly every night there is a legal procedural drama airing on one or more channels, and unfortunately, New Street Law is not superior to any of these dramas currently showing. New Street Law is a British TV series by the BBC, which focuses on a competition between a new and small law firm run by a young defense lawyer Jack Roper (John Hannah) and a powerful law firm owned by Roper's former mentor, Laurence Scammell (Paul Freeman).
