R

Straight-A college student Jeff Chang has always done what he was supposed to do. But when his two best friends Casey and Miller surprise him with a visit for his 21st birthday, Jeff Chang decides to do everything he wants to do for a change, even though his important medical school interview is early the next morning. What was supposed to be one beer becomes a night of humiliation, over indulgence and utter debauchery in this coming-of-drinking-age-comedy, from the writers of 'The Hangover,' about living youth to its fullest.
