Vera

Season: 2

Starring: [David Leon](#) [2],

[Brenda Blethyn](#) [3],

[Cush Jumbo](#) [4]

On DVD: Tuesday, November 6, 2012

Discs: 4

I recall learning to love the first series of Vera and coming to the conclusion that it was somehow ingenious. On my second stab at the show (no pun intended) I found that I had hit the ground running without any snags whatsoever. No shallow character introductions, no slow building chemistry between characters, not even an episode that rubbed me the wrong way. For all intents and purposes Vera Set 2 is magnificent.
