[Brina Palencia](#) [4],

[Greg Ayres](#) [5],

[Jamie Marchi](#) [6]

**On Blu-Ray:** Tuesday, January 29, 2013

**Discs:** 5

Things are just as off the wall in the world of Baka and Test as they were the last time we visited the series, maybe more. With the girls and guys of class F falling in and out of love with one another while they try and climb through the ranks at school things get messy. Too many teenage hormones can't be good for the class with the lowest test scores.
