Players: 1-2 (2-16 online)

Time To Finish: 8-10 Hours

When it comes to exclusive franchises on the PlayStation 3, everyone has their favourites, but only one can claim to have been there from day one - Resistance. If you purchased a PS3 in the early days, the chances are you also bought Resistance: Fall of Man, Insomniac's first venture into the next-generation, and the stand-out title during the console's slow start.
