

New Iron Man 2 trailer has more, Scarlet, Downey & Rourke!

Now that the Oscar season is behind us, it's time to start fresh and what better way to get all those artsy movies out of your head than the start of Blockbuster season! The season that rarely leads to any awards outside of the technical. With that being said, Paramount unleashed the ridiculously awesome new trailer for their summer tentpole, Iron Man 2. The trailer showcases a little more of Whiplash, Black Widow and shows off a handy new portable suit for Tony Stark. Check it out below...
