

## Bryan Cranston, Elizabeth Olsen in Talks to Star in 'Godzilla'

Bryan Cranston and Elizabeth Olsen are in talks to join [Aaron Johnson](#) [1] in [Godzilla](#) [2], Legendary's take on the classic Japanese monster.

[Gareth Edwards](#) [3] is directing the film, which is currently embroiled in a producer dispute. Frank Darabont is currently doing a rewrite on the script.

The logline is being kept under wraps but Heat Vision can tell you to expect plenty of monsters in this creature feature. Oh, and that Cranston will play Johnson's step-father and Olsen his girlfriend.

The project is heading towards a March production start. Warners, which has a 25 percent stake in the movie, will release the film May 16, 2014.

[Cranston](#) [4] is the star of AMC's critically-acclaimed TV series [Breaking Bad](#) [5] but has carved a nice feature career on the side. He is a key player in Oscar frontrunner [Argo](#) [6], played the bad guy in the [Total Recall](#) [7] remake and was featured in [Rock of Ages](#) [8].

If a deal makes, [Godzilla](#) will be the first studio feature for [Olsen](#) [9], who is best known for her rave work in indies such as [Martha Marcy May Marlene](#) [10]. She will next be seen in the remake of [Oldboy](#) [11].
