Initially set 25 years after the events of Castlevania: Lords of Shadow, Mirror of Fate will reveal the story of Gabriel's descendants, as they battle their own destiny in each era only to discover their true, shocking fate.

Trevor Belmont, a knight of the Brotherhood of Light sets out to avenge the death of his mother, at the hands of his own father, who has now returned from years of exile to take up residence in a mysterious castle. What was once Gabriel Belmont now stands a powerful vampire called Dracula. Dracula has declared war upon the Brotherhood and thus the scene is set for a cataclysmic showdown between Father and Son!

FEATURES:

-Discover the history of your bloodline - Play as multiple characters throughout history, as you battle your ancestor Dracula, each time learning more about your history and why the Belmont clan must atone for the sins of their forebear. Dare you tempt fate?

-Choose your character - Multiple characters to enjoy, each with unique abilities and skills across different eras. Take control of the legendary Trevor and Simon Belmont and more, as you battle Dracula and his evil minions.

-Share new abilities through your lineage - Pass onto your descendants your newfound abilities in each era and discover the true destiny of the Belmont's. Featuring a huge array of combo's and a deep strategic combat system, this Castlevania is an exciting action game with tons of depth.
