Intense sci-fi violence, some sexuality and brief nudity

New York cab driver Korben Dallas didn't mean to be a hero, but he just picked up the kind of fare that only comes along every five thousand years: A perfect beauty, a perfect being, a perfect weapon. Now, together, they must save the world. Bruce Willis, Milla Jovovich, and Gary Oldman star in acclaimed director Luc Besson's outrageous sci-fi adventure, an extravagantly styled tale of good against evil set in an unbelievable twenty-third century world.
