Genre: [Drama](#) [11]

Running Time: 118 Minutes

R

When a group of gangster wannabe kids (who come from the wealth of L.A suburbia) abduct the brother of one of their debtors to use as leverage for payment, they get more troubles than any of them expected. After learning that the punishment for kidnapping carries up to a life sentence in federal prison, they decide the only way out is to kill the kid, hide the body, and play the big innocent act.
