[Official Website](#) [9]

PG-13

Shamed scientist Dr. Rick Marshall (Will Ferrell) is given the motivation he needs by beautiful young scientist Holly Cantrell (Anna Friel) to follow his dreams and find a time warp to another dimension. Along the way the duo meet Will Stanton (Danny McBride), a firework salesman who gets pulled into the expedition and finds himself and the others in the land of the lost (you like what I did there huh?).
