**Running Time:** 105 minutes

R

Below is a suspenseful thriller about a World War II sub that picks up three survivors on a rescue mission. The crew soon realizes that these passengers are not all they picked up. As a strand of bad luck passes through the sub, some start to blame it on the supernatural. Starring actors such as Matt Davis and Olivia Williams, this movie is saved from being a complete flop and keeps it at a solid 'B' movie.
